

The Patrilineal Line of Descent of the Larkham Family in the U.S.

A list handwritten by my great-grandmother, Sarah (Clark) Burdick, showing the patrilineal line of descent from Thomas Larkham of South Kingstown, Rhode Island, down to her grandfather, William H. Larkham. Included are notes on three of William H. Larkham's older half-brothers (Sarah's great-uncles), Daniel Larkham, who had a farm at Mansfield, Connecticut, Lancy (Lancy Lot) Larkham, who migrated to Springfield, Illinois and Green Bay, Wisconsin, and possibly, Erastus Larkham, who may have gone to Vermont.
